

Curriculum Area	Art & Design	Activity Type	Practical
Suitable for	KS 1	Activity Number	BB010
Activity Name	Brain Jigsaw		

Activity courtesy of Dr Eric H. Chudler - University of Washington, USA

Learning Outcome:

Understand what the brain looks like

Materials Required:

Copies of the brain diagram on page 2, cut along lines indicated

Instructions:

We suggest that this activity could run alongside BB03 Jelly Brain.

Having discussed what the brain looks like children could colour in the pieces and then complete their jigsaw.
