

## **Leticia Williams | Partner**

Leticia joined Hodge Jones & Allen in 2009 and became a Partner in 2014. She was appointed Head of the Personal Injury team in 2019. She has experience in all areas of Claimant personal injury work, particularly road traffic accidents including pedestrians and cyclists. She also deals with accidents at work, occupier's liability claims and accidents abroad. Leticia has extensive experience in dealing with serious injury claims including child brain injury. Leticia understands the importance of providing the right help and support for your family and knows how to get the very best rehabilitation quickly.

Leticia is a recommended lawyer by the Legal 500 and has been described as "an excellent litigator."

### **Client Comments:**

"Leticia, you have been amazingly kind and supportive throughout this process and we appreciate all that you have done.....your kindness, empathy and professionalism has made a traumatic case less onerous and we are all relieved that it has been quickly settled." Jenny H.
